

## RULES AND REGULATIONS

This regulation and the amounts in contest are based on the entry of 2,500 paid pigeons (teams of 5+2 pigeons); the organization reserves to itself the right to change those values. The final values will be announced after the end of the registrations, no later than July 31, 2021.

## GENERAL CONDITIONS

**1.** The Participation is open to all national and international pigeons and all of them must have an official 2021 band approved by the International Pigeonsport Federation (FCI);

**a.** The reception of the pigeons takes place in the period between March 1st and May 31st, 2021;

**b.** In order to guarantee the best health of the pigeons, their reception will be effected in 3 periods: March - days 1 to 15 / April - days 1 to 15 / May - days 1 to 15;

**c.** The pigeons must be accompanied by their respective property title, pedigree, adress, VAT number, contact of the owner, as well as the IBAN and BIC number in which they want to receive the prizes;

**d.** The Portuguese Pigeonsport Federation requires that all pigeons that compete in national championships have their own property title. If they are not delivered with the pigeons, we will ask for replacements and charge those extra costs to the participant, at the rate of 2 euros / each;

**e.** Yearlings for adduction should have between 40 and 50 days old and they will be kept

in the Lofts of Asas de Perrinchão Pigeonsport Club built for this purpose and under their responsibility;

**f.** Pigeons must be vaccinated against PMV within 20 days prior to shipment and shipped with approximately 40-50 days old.

**2.** Each team has 7 pigeons (5+2). Pigeons 1 to 5 will be competing for all races and prizes, and pigeons number 6 and 7 will be kept as back-up (reserve/substitute) and may compete in all races, winning prizes until the HALF-FINAL. Pigeons nr. 6 and 7 of each team will only participate in the final race if any of the team pigeons 1 to 5 get lost, or if it is activated until 15th of September by its owner. The price of each pigeon activation will be 100 euros;

**3.** Reserve pigeons cannot change teams, even if they are from the same owner;

**4.** Substitute pigeons not activated by their owners until September 15, 2021, may be activated by others from September 17th to 19th, 2021;

**5.** Pigeons registered in a team can not change teams;

**6.** The registration cost of each team is 500 euros

(5+2 pigeons) divided in 300 euros (excludes VAT) of annual membership fee plus 200 euros as registration fee (VAT included at the rate of 23%).

**a.** There are also the possibility of sending incomplete teams and each entered pigeon will cost 100 euros but there's no reserve pigeons.

**7.** Bank transfers expenses are solely responsibility of the person who is doing it;

**8.** Each participant can register as many teams as he wants and/or number of pigeons he wants;

**9.** For each 9 entered teams, the participant will be rewarded with 1 free team;

**10.** Groups of participants may be formed to take advantage of the complimentary team as long as the team name has something in common;

**11.** If any pigeon gets lost in the adduction, it can be replaced until June 15st, 2021, without additional costs, only paying for the value of the transport;

**a.** Owners will be contacted by the organization whenever it is necessary to make any substitutions;

**12.** The person who activates the reserve pigeons for the final, will only be entitled to the value of prize money won by that pigeon in the race and will not be entitled to the amount reverted from its auction, because this prize money belongs to the owner of the pigeon as well as other prizes won by the pigeon until that time.

**13.** All pigeons must be titled in the individual name of the participant or in the name of a team chosen by the participant, but they can not be titled in the name of other OLR;

**14.** No owner of any OLR will benefit from special participation conditions in MOLEDO DERBY ATLANTIC COAST, and should completely fulfill what is defined in the GENERAL CONDITIONS;

**19.** All amounts shown in the table of prizes are net/net ones;

**20.** Every release, basketing operation or transport will be organized by the organization and other trustful persons or entities;

**21.** Pigeons will be regularly inspected by the official Veterinary team;

**22.** Any eventuality that causes conflict, which is not safeguarded in this regulation, will be solved by the organization, accordingly with the national laws of Portugal, and this decision will be sovereign;

**23.** The Official Rules will be in Portuguese and will be placed on the website of the event, because one considers that a translation may cause misinterpretations;

**24.** To grant the same conditions for all pigeons, they will have only perches and there will be no gender separations;

**25.** On MOLEDO DERBY ATLANTIC COAST there will be 5 races, (including Half-Final and Final). There will also be 2 ACE-PIGEONS CHAMPIONSHIPS:

€ 100,000.00 (one hundred thousand euros);

**a.** Prizes are only paid to the pigeons arriving until 24 hours after the first pigeon clocked.

**b.** Notwithstanding derby rules, for FCI the classifications ends with 25% of the returns until 08:00 pm of the day after release, unless FCI different determinations.

**26.** In order to win the two ACE PIGEONS Championships, the pigeon will have to participate in the final race – if two pigeons have same pontuation, the winner will be the one with better classification on the final race;

**a.** In all ACE PIGEONS races, the classification ends after the arrival of 50% of the pigeons that have been basketed in the first race of this championship, or at most 24 hours after the arrival of the first pigeon.

**b.** Pigeons that will not return in the final within the clocking period, will not be included in the ACE PIGEON competition;

**c.** The winner of the ACE PIGEONS-POINTS will be the one with the lowest sum of points from the 5 races, including Half-Final and Final;

**d.** The winner of the ACE PIGEONS-AVERAGE SPEED will be the one with the highest average speed sum from the 5 races, including the Half-Final and Final;

**27.** All training or events to be played and scheduled, may be changed if weather conditions or other situations do not allow it. In these cases, decisions must be sovereignly made by the organization;

**28.** After the registration period and once the project is calculated for 350 teams and if this value is not reached, the value of the prizes will be proportionately recalculated;

**29.** Lists of all the pigeons participating in the event will be available, as well as of all the pigeons participating in the final competition;

**30.** All pigeons entering the loft will get an electronic band;

**31.** All pigeons will be auctioned. After deducting the costs with the Website (25%) and the photographer, 50% of the value will revert to the participant and the remaining 50% to the organization;

**32.** If a pigeon is not sold on it first auction, the participant loses the right to his 50% and the pigeon reverts to the organization. After all auctions, the owner can get it back for 25 euros plus shipping costs;

**33.** The value of the auctions will be credited in the account of the participants after the end of all sales and after it successful payment and delivery. If not, the pigeon will be auctioned again;

**34.** The clocking system is an official electronic equipment authorized by the Portuguese Pigeonsport Federation, from the Benzing brand;

**35.** The Lofts are equipped with the new Speed antennas, capable of registering more than 1000 pigeons per minute without failing a single registration, which adds value and reliability;

**36.** The results can be followed through the BENZING LIVE OLR SYSTEM, developed and prepared for the OLR's.
